

## EyeMed Out-of-Network Frequently Asked Questions

<b>Do you take EyeMed?</b>	Yes, we are in-network providers until January 31 <sup>st</sup> . Beginning February 1 <sup>st</sup> , we will provide out-of-network services and will file your claim for you. EyeMed will reimburse your benefits directly to you.
<b>So, you're telling me I can't come there anymore?</b>	Good news! Of course you can still see us! We have just changed our status to out of network.
<b>Do I have to pay full price now?</b>	We provide a 10% discount on your exam and 25% discount on frames and special lens packages. Plus, you are reimbursed by EyeMed for your out-of-network benefits.
<b>How much is this going to cost me now?</b>	Individual plans and situations will vary but we estimate that someone getting a comprehensive exam, new frame, and new no-line lenses with Transitions will only pay 3% more out of network than they did in network.
<b>Do I have to file my exam with EyeMed myself?</b>	No! We will file it for you. EyeMed will send you a check for your out-of-network benefits generally within 4 weeks.
<b>How much is my OON benefit?</b>	We can look that up for you.
<b>How much is my copay?</b>	Out-of-network providers do not collect copays. We give you special discounts up front and then EyeMed reimburses you for your out-of-network allowance.
